To whom it may concern

GL events Oasys Innovations worked for the FIFA Confederations Cup 2009 and FIFA World Cup 2010 Overlay Projects. During this period, we solely used Buzz Around Transfers when our driver was busy and for late night / earlier morning collections and drop offs. We found Buzz Around Transfers to be a dedicated company.

The staff of Buzz Around Transfers were always reliable with attention to detail, and our staff members were completely happy and always on time, which enabled the GL/Oasys Consortium to reach all our flights and meeting on time and in a relaxed mood.

We do not hesitate to recommend Buzz around Transfers for any transfer, whether it's for an individual or a group.

Should you require any further information, please do not hesitate to contact the writer.

Yours sincerely
